[Long Beach, August 11, 2023] – CTI Environmental, a leading environmental consulting firm dedicated to sustainability and conservation, is proud to announce its partnership with the renowned "Elevate Your Game" Summer Internship Program. This collaboration aims to provide aspiring young minds with a unique opportunity to gain hands-on experience and foster a passion for environmental stewardship.

The "Elevate Your Game" Summer Internship Program, known for its commitment to nurturing talent and promoting diversity, aligns perfectly with CTI Environmental's core values. Through this strategic partnership, CTI aims to engage students from diverse backgrounds, encouraging them to become active participants in environmental preservation and protection.

Internship participants will have the opportunity to work side-by-side with CTI's team of seasoned environmental professionals, gaining invaluable insights into various aspects of environmental consulting. This experiential learning will include environmental assessment techniques, sustainability practices, project management, and more, providing students with a comprehensive understanding of the field.

"Our collaboration with 'Elevate Your Game' is a testament to CTI Environmental's commitment to investing in the future and empowering young talent," said Bobby Jones, Director of Client Services of CTI Environmental. "We strongly believe that fostering a passion for environmental conservation at an early stage will create a ripple effect, inspiring the next generation of environmental leaders."

The "Elevate Your Game" Summer Internship Program offers a structured and supportive environment for students to explore their interests and develop their skills. CTI Environmental's team of experts will serve as mentors, guiding interns through real-world projects and challenges, providing invaluable mentorship and networking opportunities.

"We are thrilled to partner with CTI Environmental in our mission to provide students with enriching and transformative experiences," said Gipson Lyles, Founder of "Elevate Your Game." "Together, we can ignite a passion for environmental responsibility and inspire our interns to become change-makers in their communities."
